

GrantMe

Problem

Alice and Bob are not making enough income to pay bills even when they are employed

What Alice and Bob are missing out on

176,000 eligible children in B.C are missing out on \$211 million of Child Benefit

BC families missing out on \$4.6B in free RESP

1 million children are missing out on the Canada Learning Bond

Our Solution

GrantMe is a platform that matches Alice and Bob with a grant that they are already eligible for

How does
GrantMe work?

Why blockchain?

Securely encrypt Alice and Bob's data

Verification of grant applications

Historical information of past grant applications

Tracking of previous grant receipts

Business Model

Premium subscription plan

Utilise marketing budget from government and other organizations

In-app advertising

Paid announcement and news

Donations

Execution Plan

Building traction for GrantMe

Mainstreaming access to available grant
information

Streamlining grant data gathering process

Our Vision

Provide more exposure to
eligible grants

Q & A
